Newark's high schools gave you a great start — pass it on.

Today, Newark's high schools are turning out a generation of thinkers, doers and achievers. Help them (and yourself) by starting a scholarship fund with the Newark Community Foundation. Let the Newark Community Foundation help you find the most deserving students and give them a great start too! You can conveniently fund the scholarship with a tax-deductible gift of cash, securities or other assets. Contact the Newark Community Foundation to learn more about the flexible ways you can make a difference in the lives of Newark's future leaders and achievers.
